Employee ESS Portal
(Pink Button)

2
Admin / HR Desk
(Gold Button)

● **IMPORTANT:** HR users must click "**Admin / HR Desk (Gold)**" button to login. Employee ESS is only for staff self-service.

2. Login — HR / Admin

Step 1: Click "Admin / HR Desk"

Click the **Gold button** labeled "Admin / HR Desk (Gold)".

Step 2: Enter Your Credentials

 Admin / HR Login Form (Actual)

Sign In as Admin / HR

Enter your administrator credentials to access the management panel.

1 USERNAME / ADMIN ID

Enter Username or Admin ID (e.g. vishnu)

2 ADMINISTRATOR PASSWORD

Enter administrator password...

3 Sign In as Admin

 **TIP:** Click the eye icon () next to the password field to show/hide your password.

 HR Login Credentials (Unit-wise)

HR Name	Username	Access Level	Units
Vishnu Arrawatia	vishnu	Super Admin	All Units
Vijendra	vijendra	Company HR	SVN-1
Manisha Sapate	manisha_s	Company HR	SVN-II
Manisha	manisha	Company HR	Sakar-I
Indraprakash	indraprakash	Company HR	Sakar-III

 **WARNING:** Do NOT share your password with anyone. If you forget your password, contact the Super Admin.

3. Dashboard Overview

After login, you will see the **VETAN ERP Dashboard**. This is your main control center.

	SK1ST0008	Jiteshbhai Halpati	P	P	L	P	P	WO	P	P	A	P	30	26

P = Present A = Absent L = Leave WO = Weekly Off PH = Paid Holiday

Attendance Controls Explained

- 1

Month Selector

Choose the month for attendance marking.
- 2

Company Filter

Select which company/unit to view.
- 3

Import Attendance

Bulk import attendance from Excel.
- 4

Export

Download attendance data as Excel.
- 5

Save Attendance

Save all attendance changes.
- 6

Employee Columns

Click any cell to change attendance status (P/A/L/WO).

 **TIP: How to mark attendance:** Click on the cell for the employee and date. Type P (Present), A (Absent), L (Leave), or WO (Weekly Off). Click "Save Attendance" when done.

●

IMPORTANT: Auto-Leave: When an employee's leave request is approved through Leave Management, the attendance register is automatically updated with Leave (L) status for those dates.

6. Leave Management

Step 1: Open Leave Management

Click " **Leave Management**" in the left sidebar.

 **Leave Management (Actual Screen)**

Close & Approve Payroll

SVN Opto Electronics Pvt. Ltd.

Monthly Salary Slip — May 2026

Employee: SK1ST0008

Working Days: 31

Name: Jiteshbhai Halpati

Present: 29

Department: Production

Leave: 1 | Absent: 1

EARNINGS

Base Salary	₹14,730
HRA	₹4,910
Special Allowance	₹2,468
Conveyance	₹2,455
Medical	₹1,228
Education	₹1,228

DEDUCTIONS

PF Employee (12%)	₹1,768
Professional Tax	₹200
LOP Deduction	₹0
Loan Deduction	₹0
TOTAL DEDUCTIONS	₹1,968
NET PAY	₹25,051

GROSS

₹27,019

Payroll Workflow

- 1 Select Month & Company** — Choose the payroll month and company from dropdowns.
- 2 Click "Calculate Draft Salary"** — System auto-calculates all earnings and deductions.
- 3 Review the Payslip** — Check all amounts are correct.
- 4 Download Excel** — Export the salary sheet for verification.
- 5 Close & Approve** — Lock the payroll month. No further changes allowed after this.

9. Salary Revision

 Salary Revision (Actual Screen)

1 Search Employee

Employee ID or Name

2 Current Base Salary (₹)

14,730

3 New Base Salary (₹)

Enter new salary

4 Effective From Date

dd/mm/yyyy

5 Reason / Remarks

e.g., May-26 Increment

6  Save Revision

- 1 **Search** — Enter employee ID or name to find the employee.

2 **Current Salary** — Shows the existing salary (auto-filled, read-only).

3 **New Salary** — Enter the revised salary amount.

4 **Effective Date** — When the new salary starts (e.g., 01-May-2026 for May increment).

5 **Reason** — Why the salary is changing (May Increment, November Increment, etc.).

6 **Save** — Click to save the revision. Previous salary history is preserved.

IMPORTANT: Salary Revision does NOT overwrite the old salary. The system maintains a complete history of all salary changes with dates and reasons.

10. Loan Management

 Loan Management (Actual Screen)

Active Loans

Loan History

Add New Loan

1 Employee	Loan Type	Opening Balance	EMI	Months Paid	Remaining	Status	2 Actions
SK1ST0008	Salary Advance	₹20,000	₹5,000	1	₹15,000	ACTIVE	View
SK1ST0009	Salary Advance	₹25,000	₹5,000	1	₹20,000	ACTIVE	View

1 **Employee** — Loan is linked to specific employee.

2 Actions — View loan details, mark payment, or close loan.

 **TIP:** Loan EMI is **automatically deducted** during payroll calculation. When HR runs "Calculate Draft Salary", the system checks for active loans and deducts the EMI from net pay.

11. Reports & Analytics

 **Reports & Analytics (Actual Screen)**

1 Employee Directory Report

Complete list of all employees with details. Filter by company.

Generate

2 Attendance Summary

Monthly attendance report with Present/Absent/Leave counts.

Generate

3 Payroll Register

Complete salary register with earnings and deductions breakdown.

Generate

4 Leave Report

Leave balance and history for all employees.

Generate

5 Loan Outstanding Report

All active loans with EMI and balance details.

Generate

6 PF ECR Report

EPF contribution details for statutory filing.

Generate

7 Form 16

Annual tax declaration for employees.

Generate

8 Audit Log

Track all changes made by HR users. (Super Admin only)

View

 **TIP:** All reports can be exported to Excel using the "Export" button on each report page.

12. HR Letters Hub

 **HR Letters Hub (Actual Screen)**

1 Appointment Letter

Generate appointment letter for new employees.

Generate

2 Salary Certificate

Salary verification letter for bank/visa purposes.

Generate

3 Experience Certificate

Work experience letter for departing employees.

Generate

4 Relieving Letter

Relieving letter after full and final settlement.

Generate

5 Address Proof

Address verification letter for employees.

Generate

13. Settings & Master Data

Settings & Master (Actual Screen)

Click "**Settings & Master**" in the left sidebar to expand:

1 Company Master — Manage company details, addresses, GST, PAN, PF/ESIC numbers.
(*Super Admin only*)

2 HOD Master — Add/Edit Head of Department records. (*Super Admin only*)

3 Shift Master — Configure shift timings (Morning, General, Night). (*Super Admin only*)

4 User Management — Add/modify HR user accounts and access levels. (*Super Admin only*)

5 Audit Log — View all system changes and user actions. (*Super Admin only*)

IMPORTANT: Settings & Master sections are **Super Admin only**. Regular HR users cannot access these sections.

14. Employee ESS (Self-Service Portal)

Employee ESS is accessed via the **Pink button** on the login page.

Employee ESS Portal

Login as Employee

1 Open VETAN ERP login page → Click "**Employee ESS Portal (Pink)**"

2 Enter Employee ID (e.g., SV1ST0046)

3 Enter Password (Phone last 4 digits + Birth year)

4 Click "**Sign In to Employee Portal**"

Employee ESS Features

Feature	What Employee Can Do
 Dashboard	View attendance summary, leave balance, pending items
 Profile	View personal details, salary, department
 Attendance	View own attendance history
 Leave	Apply for leave, view leave history
 Payslip	View and download monthly payslips
 Form 16	Download annual tax declaration
 Security	Change password

15. Password Rules & Security

Password Rules (Actual)

SVN Employee Password Pattern

Phone Last 4 Digits + Birth Year = Password

Example: Phone ending in 9911, born in 1995 → Password: 99111995

Sakar Employee Password Pattern

All Sakar employees have the same default password:

00001995

Sakar employees should change password after first login.

HR/Admin Password

HR passwords are set by the Super Admin. Do NOT share your password.

 **WARNING:** Do NOT write passwords on paper or share them via phone/email. Change your password regularly.

16. Mobile / PWA Installation

VETAN ERP can be installed as an app on your phone. No download needed!

Android Phone (Chrome Browser)

- 1 Open Chrome and go to <https://vetan-svn.vercel.app>
- 2 Tap the **:** (three dots) menu at top right
- 3 Tap **"Install app"** or **"Add to Home screen"**
- 4 Tap **"Install"**
- 5 VETAN ERP icon will appear on your home screen ✓

iPhone (Safari Browser)

- 1 Open Safari and go to <https://vetan-svn.vercel.app>
- 2 Tap the **Share button** (↑) at bottom
- 3 Scroll down and tap **"Add to Home Screen"**
- 4 Tap **"Add"**
- 5 VETAN ERP icon will appear on your home screen ✓

17. Troubleshooting

Problem	Solution
"Authentication service unavailable"	Internet connection problem. Check your WiFi/mobile data. Try again after 30 seconds.
"Incorrect Password"	Check your Employee ID and Password. SVN: Phone last 4 + Birth year. Sakar: 00001995
"Employee not found"	Check Employee ID spelling. It is case-sensitive. Contact HR if problem persists.
"Failed to fetch"	Server is temporarily unavailable. Wait 1-2 minutes and try again.

Page not loading / Blank screen	Clear browser cache: Chrome → Settings → Clear browsing data → Cached images and files.
Cannot see other company data	Check your access level. HR users can only see their assigned unit. Contact Super Admin for access.
Salary revision not saving	Payroll month may be locked. Contact Super Admin to unlock the month.
Attendance not updating	Click "Save Attendance" button after making changes. Check if your internet is working.

18. Quick Reference Card

Quick Reference — Daily HR Workflow

#	Time	Task	Where
1	Morning	Mark daily attendance	Attendance Register
2	Morning	Check pending leave requests	Leave Management → Pending
3	Morning	Check miss punch requests	Dashboard → Approve Miss Punch
4	Afternoon	Process new employee additions	Employee Master → Add
5	Afternoon	Process salary revisions (if any)	Salary Revision
6	Month End	Run Payroll Calculation	Payroll Processor → Calculate
7	Month End	Download & Verify Salary Sheet	Payroll Processor → Download Excel
8	Month End	Close & Approve Payroll	Payroll Processor → Close
